Re: EATELCORP Notice Pursuant to Section 64.1120(e)(1) of the
Commission's Rules; CC Docket No. 00-257

Dear Ms. Dortch:

In connection with the pending merger between Reserve Communications and Computer Corporation ("Reserve") and EATELCORP, L.L.C. ("EATELCORP"),¹ EATELCORP hereby notifies the Commission that it has provided notice of its change of control to all affected telecommunications service customers, pursuant to Section 64.1120(e)(1) of the Commission's rules.² This notice satisfies the requirements of subsection (1) as follows:

¹ See Domestic Section 214 Application Filed for the Transfer of Control of EATELCORP, L.L.C. to Reserve Communications and Computer Corporation; Streamlined Processing Established, FCC Public Notice, WC Docket No. 19-8, DA 19-86 (Wireline Competition Bur., rel. Feb. 14, 2019).

² Section 64.1120(e)(1) sets forth streamlined procedures for a telecommunications carrier's acquisition of another carrier's subscriber base. 47 C.F.R. §64.1120(e)(1) ("No later than 30 days before the planned transfer of the affected subscribers from the selling or transferring carrier to the acquiring carrier, the acquiring carrier shall file with the Commission's Office of the Secretary a letter notification in CC Docket No. 00-257 providing the names of the parties to the transaction, the types of telecommunications services to be provided to the affected subscribers, and the date of the transfer of the subscriber base to the acquiring carrier. In the letter notification, the acquiring carrier also shall certify compliance with the requirement to provide advance subscriber notice in accordance with §64.1120(e)(3), with the obligations specified in that notice, and with other statutory and Commission requirements that apply to this streamlined process. In addition, the acquiring carrier shall attach a copy of the notice sent to the affected subscribers").

The parties to the transactions are Reserve and EATELCORP. The application (as amended) lists the various subsidiaries of EATELCORP that provide domestic and international telecommunications services to customers in the state of Louisiana, as described in more detail therein. The transaction is expected to close within approximately 30 days following the receipt of all necessary regulatory approvals but not before April 15, 2019.³

By this notice, EATELCORP certifies that it has complied with the requirement to provide at least 30 days' advance subscriber notice in accordance with Section 64.1120(e)(3) of the Commission's rules.⁴ Included herewith are copies of the form of notices that have been mailed to the affected subscribers prior to the date of this notice.

EATELCORP also certifies as to its compliance with the obligations specified in Section 64.1120(e)(3) and its subscriber notices, and with all other statutory and FCC requirements that apply to this streamlined process.⁵
